Monday 19:00 Hours 146.88-103.5

Tulare County ARES Preamble

"QST, QST, QST, this is (call sign) activating the Tulare County ARES net. My name is (Name) and I will serve as net control this evening. This net meets every Monday evening at 19:30 hours local. We are operating on a frequency of 146.880 MHz with a PL of 103.5 Hz. This repeater is owned and operated by the Tulare County Amateur Radio Club and is located on Park Ridge at an altitude of 7,516 feet."

"The purpose of this net is to provide operators an opportunity to test their equipment, improve operating skills, pass message traffic as it pertains to ARES and other groups interested in emergency communications in Tulare County. This net will also be activated at any time upon receiving a request for assistance from a served agency."

This is a directed net. Please direct all communications to Net Control. This is (Name), (call sign), your net control station. First is there any emergency or priority traffic? Are there any announcements or items of interest to the net?"

"When I ask for your call sign, please respond with your call sign, name, location, and any traffic you may have."

(Call Roster or ask if anyone wants to check in; ask for late, missed, or visiting stations)

Repeat comments/announcements

"Thank you all for checking in this evening. This is a reminder that being a net control operator is a training function. All members are highly encouraged to become proficient in controlling an emergency net. Please contact the net control if you are interested in volunteering to be a net control operator."

"The Tulare County ARES wishes to thank the Tulare County Amateur Radio Club for the use of this repeater. Please monitor this repeater for ARES activations."

"This is (name, call sign), your net control deactivating the Tulare County ARES net at (time) and returning the repeater to normal activity."

Tuesday 19:30 Hours 146.88-103.5

TCARC Net Preamble

"Attention all Amateur Radio Operators: the Tulare County Amateur Radio Net will begin at 19:30 hours. This is (call sign)"

"QST, QST, QST . . . calling all Amateur Radio operators. This is (call sign) with the Tulare County Amateur Radio net. This net is conducted by the Tulare County Amateur Radio Club and is open to all amateurs in the area and welcomes their participation." (pause) "This is the club repeater, WA6BAI, located on Park Ridge at 7,516 feet. We are operating on a frequency of 146.880 MHz with a PL of 103.5 Hz." (pause) "This is a training net for passing information concerning Emergency Preparedness and Amateur Radio in general, as well as other information of interest to the Tulare County Amateur Radio Club and the local amateur radio community." (pause) "My name is (name), and I will be your net control station for this evening. All licensed stations are welcome to join this session of the TCARC net. Please direct all communications to net control." (pause) "Are there any stations with Emergency or Priority traffic? Are there any stations with Official Bulletins? (pause) "If you have general information or other announcements, please indicate them when you check in."

(Call Roster or ask if anyone wants to check in; also ask for late, missed, or visiting stations)

Repeat announcements

"The Tulare County Amateur Radio Club holds meetings on the third Thursday of the month at 19:00 hours (7:00pm). Meetings are held at the Tulare County Board of Supervisors Chambers, located at 2800 West Burrell, in Visalia. Meetings are open to anyone interested." (If the ARRL news line is active, ask for someone to activate it at the end of the net)

"I would like to take this opportunity to thank everyone for checking in this evening. Our net will reconvene next Tuesday at 19:30 hours (7:30pm)." (pause) "This is your net control (call sign), my name is (name), and I am closing the net at (time). 73s and good evening."

Wednesday 19:00 Hours 146.88-103.5

SKYWARN PREAMBLE

(15/5 minutes before the net) "QST, QST, QST . . . this is (call sign) and today is Wednesday (Date) and I will be activating the San Joaquin Valley Skywarn Net in (15 or 5) minutes."

(QST, QST, QST . . . this is (call sign) calling the San Joaquin Valley Skywarn Net. My name is (Name) and I will serve as net control this evening. This net meets every Wednesday evening at 1900 hours local. We are operating on a frequency of 146.880 MHz with a PL of 103.5 Hz."

"This repeater is owned and operated by the Tulare County Amateur Radio Club and is located on Park Ridge at an altitude of 7,516 feet. Information concerning Skywarn can be found at wrh.noaa.gov/hnx. This is a directed net. Please address all inquiries to net control."

"First, is there any emergency or priority traffic? Are there any items of interest to the net?"

"When I ask for your call sign, please respond with your call sign, name, location, and any weather traffic you may have."

(Call roster or ask for anyone who wants to check in; ask for late or missed check-ins, then visitors)

Repeat comments/announcements

"Thank you all for checking in this evening. All stations are encouraged to monitor this frequency for further updates and report any of the following severe weather conditions including, but not limited to: funnel clouds or tornadoes, hail, wind damage, flooding, or any severe weather event that poses an immediate threat to life and/or property."

"As always, I want to thank the owners and operators of this repeater for its use this evening. Again, this is (call sign), my name is (Name), located in (city) and I've been serving as net control this evening. I am returning the repeater to its normal use at (time). This is (call sign), (name), in (city), clear."
